WMU[®] God's mission.
Our passion.

“THE COOPERATIVE PROGRAM” - The Cooperative Program is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Through the Cooperative Program, Southern Baptists help International Mission Board missionaries train and support national believers in hard-to-reach places. Also, through the Cooperative Program, our church supports North American missionaries and church planters to reach out with the good news of Christ and helps provide practical and spiritual aid through disaster-relief teams. I am very thankful for the support our church gives through the CP.

“WOMEN ON MISSION” - There will be no “Women on Mission” meeting in June due to Vacation Bible School. Please pray for all the leaders, workers, and children as we share that “Jesus is the Light of the world.”

“MISSION FRIENDS” and “CHILDREN IN ACTION” - Teaching children about the love of Jesus and about missionaries as they share this truth around the world is very important. Ms. Angie and Ms. Sarah love to teach the preschoolers and children each Wednesday evening. Do not let your children miss this opportunity.

“PRAYER FOCUS” - Pray for ALL MISSIONARIES - Missionary work does not afford people great wealth. Sometimes budget needs are greater than the salary a missionary receives. Pray they would be wise as they plan and budget and that God would stretch their resources.

Playground Update

New playground construction has begun but it is not too late to give to help with the cost. Mark your donations "playground".

Outreach

We are looking for new and innovative ways to reach out to the community and share the gospel along with inviting them to church. Pray for our Outreach program in the church as we search for new ways to reach out.

Feed My Sheep

There are many times when I sit down to write an article for our church newsletter not knowing what to write. But, I have all our church members in mind. All of us needing prayer. Be much in prayer for our sick, our shut-ins and each other. God has helped us, but there is still work to be done! I know I do not know what goes on with each of our members. I do know that there is large needs of healing. So man... Just pray that this is God's will.
 Keep the Faith,
 Janice (JJ)
